November 10 : (Monday)

Since Monday's are short days, most of the time should be spent doing study hall.

-Review Planner expectations and have them fill in their planner from Friday following those expectations if they have not already.

Go over what the students know needs to be done. Students need to have their planners out on the table visible for you to check. Check to make sure they are filled in. If they are not filled in they need to get with someone and fill theirs out.

Have students come up to the board and put down assignments from Friday on Friday's date and have them write down any extended assignments on the board.

When done have students work on homework

November 11: (Tuesday)

Every Tuesday will start out with them and you going to the library-okayed with Paula. To print off their quick look up sheet. If they are earning an "F" for a class or an individual zero, they need to print off their individual class sheet. These two papers will then be placed under grades in their binder. Each zero should be highlighted. Then in their spiral notebook, under Tues, September.... They need to come up with a plan on how they are going to rid their grade of the zero. They need to write this plan on a separate plan sheets located in the basket under the Give me an ACE poster and place it along with their assignment in the binder.

When this is a complete student need to go back to the classroom:
