PROGRESS AND REPORT CARDS

Progress reports will be handed out at Parent/Teacher conferences on November 3rd and 5th and March 15th and 17th. If a family member cannot make it to conferences a copy of the progress report is given to each student. It is their responsibility to share this with family. Report cards will be handed out to each student approximately one week after the end of semester one date of January 15. Semester two report cards will be sent through the mail.

PARENT/TEACHER CONFERENCES

Conferences are held on November 3rd and 5th and March 15th and 17th. These are held in the gym with first serve basis. The teachers will be sitting in alphabetical order starting along either the west or east wall with nameplates on their table. Upon entering the building, a secretary will provide you with your child's report card containing a list of teachers your child is in contact with that term. The conferences run from 4:30 – 8:00 PM.

PLANNERS

Planners will be passed out to each student during their first period on the first day of school. Those planners are the responsibility of each student to keep them up to date and have them with them at all times. If a student's planner is misplaced, a new planner for $6.00 can be purchased between 8:00 and 8:15, during passing time, and after school through the office. The planner allows family to be aware of assignments daily and any announcements the student chooses to write down. The handbook and resource materials are part of the planner as well as passes out of classes for restroom breaks and such. Plan to ask your child nightly to go over their planner.
